ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. For Membership Savings, Subsidiary Savings, IRA Savings, Money Market, Classic Checking, Feel Good Checking, Student Checking, and High Yield Checking accounts, the interest rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. Money Market, Feel Good Checking, Student Checking, and High Yield Checking accounts are tiered rate accounts. The balance ranges and corresponding interest rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For Money Market and High Yield Checking accounts, once a particular range is met, the interest rate and annual percentage yield for that balance range will apply to the full balance of your account. For Feel Good Checking and Student Checking accounts, each interest rate will apply only to that portion of the account balance within each balance range.

2. INTEREST COMPOUNDING AND CREDITING — The compounding and crediting frequency applicable to each account is set forth in the Rate Schedule.

3. ACCRUAL OF INTEREST — For all earning accounts, interest will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Membership Savings, Subsidiary Savings, IRA Savings, Money Market, Classic Checking, Feel Good Checking, Student Checking, and High Yield Checking accounts, if you close your account before accrued interest is credited, you will not receive the accrued interest. *If you are a resident alien and you do not have and are not eligible to get a social security number, the Credit Union may assist you in obtaining an IRS individual taxpayer identification number ("ITIN"), and also temporarily open an account without a taxpayer identification number. In such event, any account you have with us will temporarily not earn interest on the

balance in the account, until you provide us with the IRS ITIN and execute a W-9 Certification under penalty of perjury.

4. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Membership Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Money Market, Classic Checking, and High Yield Checking accounts, there is a minimum daily balance required to avoid a service fee for the crediting period. If the minimum daily balance requirement is not met during each day of the crediting period, you will be charged a service fee as stated in the Fee Schedule. For accounts using the daily balance method as stated in the Rate Schedule interest is calculated by applying a daily periodic rate to the principal in the account each day.

5. ACCOUNT LIMITATIONS — For Membership Savings, Non-Interest Membership Savings, Subsidiary Savings, IRA Savings, and Money Market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For IRA Savings accounts, IRS early withdrawal penalties may apply if funds are withdrawn prior to age 59 1/2. For Non-Interest Student Checking and Student Checking accounts, you must be between 13 and 18 years old to open the account. For Feel Good Checking accounts, you must have at least one monthly electronic deposit and be enrolled in eStatements to maintain the account. Your account may be converted to a Free Checking account if the requirements are not met. A member may be the primary of only one Feel Good Checking account. For Classic Checking, Free Checking, New Start Checking, Restart Checking, and High Yield Checking accounts, no account limitations apply.

6. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if you have consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

7. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.
